Republican Taffy.

Chicago, 6.—Inter-Occas's Washington: A son of Senator Wallace and engage of the catelle trade. Her capi Robbine; ouroner, Howell Mifflin; commissioners, Orville Buck, Richand Morse and Sol Hale, W. F. Fisher, J. C. Anderson, D. L. Evans, Spink. J. N. Ireland, William Clemens, M. P. Fifield, Sol Hale and Willard Crawford were chosen delegates to the territorial democratic convention, are that at the election for all state to be held in Boise City on the 17th and county officers, and members of instant, and were instructed to vote carried the state by the usual mafor George Ainslie as delegate to Congress for first choice, and Thomas D. Calaban as second choice. They were also instructed to cast their votes as a unit for Willard Crawford for district attorney of the third discounts. They are democratic, republican and green for district attorney of the third discounts. triet. The proceedings were harmo. necessary. The county gave 2,000 majority against repudiation, and it is probably defeated elsewhere.

PESSIDEST HATES and party have come and gone. We hope everybody is satisfied with the visit, and that all are pleased with the particu-lar parts they respectively played in the reception and entertainment of the distinguished tourists. It is certain that President Hayes was agree-ably surprised at the manner of his capital. He was accompanied at the reception. After what had transpired he could not expect the
people to be very entinusiastic in their
minutes after Miller and the servant welcome, and it is questionable if he had an idea that the number who bullet holes in it. The murderers had greeted him on his arrival would be anything like so large as he found it watch and money, probably because they had not time to rifle the body. to be. He evidently was pleased, and they had not time to rise the body. The authorities are making efforts to took pains to leave a good impression find the murderers. of himself and to make the people feel that he was not their enemy, and could not associate with them because of their religion, as had been repreof their religion, as had been represented was the case. It looks very much as if Mr. Hayes had been practiced upon and deceived by some practiced upon and deceived by some body concerning the people of Salt Loke, otherwise he would never have been guilty of the gross violation of colleges upon Europe and to cpinions expressed by him to most a fact that the same stand in the strongest of the saltan, recommending a fresh been guilty of the gross violation of compelled to suspend work for want of sufficient water to run machinery.
